

## OFFICIAL NOTICE 13

### **Morning Race Day Update (SI 7.2) Thursday, 15 June / Race #3**

The race committee will proceed to the starting area with the intent of being on station by 1000. We will broadcast the Signal Boat location when anchored.

The race committee's intention is to start the racing as scheduled this morning, with a warning signal for the J Class at 1130.

Most of the Marion-Bermuda Race (MBR) boats will have finished by 0900 so few if any will be in play today. Please refer to SI 21.6. For MBR information and requirements should you encounter one of the fleet leaders.

A ship will be departing St Georges this afternoon and is scheduled to be at the sea buoy at approximately 1415 -1430.

Your attention is directed to Notice No. 14 which has the scheduled starting order for Thursday racing (unchanged from Tuesday and Wednesday).

The first broadcast from the race committee will be at 1000 on VHF 69 with a follow-on broadcast at 1030.
