## BOAT INTERNATIONAL & BELMOND BETWEEN THE BAYS SUPERYACHT EVENT

*March 9 – 12, 2023*

BOAT International and Belmond – pioneers in luxury travel and hospitality – have joined forces to launch an exciting new addition to the event calendar for 2023; Between the Bays for superyacht owners.

A new highlight of the Caribbean season Between the Bays will take place in the hotspots of Anguilla and Saint Martin. Highlighting two of Belmond's finest properties – Cap Juluca in Anguilla and La Samanna in Saint Martin – the event encourages owners to come together to enjoy the properties and the idyllic waters surrounding these prestigious destinations.

We are delighted to invite superyacht owners and their friends and family to the special launch edition of the event. Welcoming motor and sailing yachts from 24 metres and upwards the unique event format will facilitate the opportunity for owners to make the most of their yachts in the company of like-minded peers.

Attendees will be treated to a first-class programme of events, both on and off the water as well as experiencing the world's best beach at Cap Juluca in Anguilla. The event will conclude with a Beach Party in the famous bay at La Samanna, which has enticed celebrities ranging from the Kennedys to Diana Ross over the past half a century.

We look forward to welcoming the world's most impressive luxury yachts to celebrate the Caribbean season in style at the Between the Bays superyacht event.

## BELMOND

Since the acquisition of the iconic Hotel Cipriani in Venice in 1976, Belmond has continued to push the boundaries of luxury travel taking discerning global travellers on surprising and unforgettable journeys to unrivalled and storied locations. Today, Belmond's global portfolio is diverse, spanning land, water, adventure and relaxation, with international acclaim. Every property is remarkable and has its own timeless story to tell. Yet, the hallmarks of the Belmond brand thread through them all: heritage, craftsmanship, and a reputation for genuine, unscripted service create exceptional experiences that stir the soul.

Yachts participating in the Between the Bays superyacht event will have the opportunity to experience the incredible resorts of Cap Juluca in Anguilla and La Samanna in Saint Martin.

Set on the crescent sands of Maundays Bay, the world's best beach on the

southwest shores of Anguilla, Cap Juluca is spread across more than 70 hectares. First opened in 1988 the island hideaway is packed with quirky touches, including bicycles and vintage Volkswagen vans to transport guests. With four restaurants on site – including Cip's by Cipriani – gourmands will not be disappointed, and the property's Arawak Spa will help you relax into the barefoot vibe.

The programme continues in Saint Martin where perched next to one of the Caribbean's most famous stretches of beach lies La Samanna, combining a Caribbean atmosphere with a touch of French Riviera style. Set on the west coast of Saint Martin the resort opened in the late 1970s, and its bright white architecture is interspersed by lush tropical gardens. Maintaining its Mediterranean feel the resort's L'Oursin restaurant serves up French delicacies, and provides a perfect conclusion to the weekend programme.
