SUPERYACHT DESIGN FESTIVAL

1 - 3 FEBRUARY KITZBÜHEL, AUSTRIA

The Superyacht Design Festival has been successfully informing, connecting and entertaining the superyacht community and beyond for more than a decade. The event attracts the superyacht world's most iconic design personalities and speakers to celebrate the future of yacht design.

Guests will come together to enjoy a three-day festival in the mountains, sharing and comparing concepts and experiences through engaging and thought-provoking debates hosted by high-profile personalities. A welcome cocktail reception, festival party, Ski Cup and Après lunch are also included.

The programme features the biggest names in superyacht design, who will take to the stage to discuss the latest trends and topics.

Keynote speakers have included Philippe Starck, Lapo Elkann, Leonardo Ferragamo, Luca Bassani, Stefano Boeri, Giorgetto Giugiaro, Patricia Viel, Cynthia Halley and Sanjit Manku.

Design directors from Google, Rolls-Royce, Bentley, Aston Martin and McLaren have all presented, and 2026 will continue to host the biggest design icons today.

The Superyacht Design Festival features the following awards programmes:

- BOAT International Design & Innovation Awards
- Young Designer of the Year Award
- BOAT Artistry & Craft Awards

THE DESIGN & INNOVATION AWARDS

1 FEBRUARY KITZBÜHEL, AUSTRIA

The BOAT International Design & Innovation Awards acknowledge everything from the naval architecture, styling, innovation and engineering of today's superyachts, to the changing demands of owners and the increased portfolio of technology. The awards include a Lifetime Achievement Award, which honours a designer who has made an indelible impression on the industry.

The Awards, now in their 17th year, continue to be the pinnacle honour within the superyacht design community, bringing the specialist skills of the industry's most talented teams into the spotlight.

The BOAT International Design & Innovation Awards will celebrate the finest yacht designs launched in 2025. The winners will be selected by a jury comprising acclaimed designers and stylists from both inside and outside of the marine industry.

THE YOUNG DESIGNER OF THE YEAR AWARD

1 FEBRUARY KITZBÜHEL, AUSTRIA

The Young Designer of the Year Award, in association with Feadship, recognises and celebrates the original concepts of student designers from around the world. They are tasked with a realistic client request that will challenge their ideas, technical ability and aptitude for delivery. The Young Designer of the Year Award opens the door for students to the superyacht world and also gives the industry access to fresh young talent. The finalists will be invited to the Superyacht Design Festival, where the winners will be recognised at the BOAT International Design & Innovation Awards.

BOAT

THE BOAT ARTISTRY & CRAFT AWARDS

2 FEBRUARY KITZBÜHEL, AUSTRIA

In 2024, BOAT International launched the BOAT Artistry & Craft Awards (BACA) to celebrate artisans who spend countless hours creating the finer details on board superyachts that take these vessels to another level of luxury – an incredibly talented and important part of the industry. This year's edition, in association with Parkway England, will celebrate artisans in three categories: Excellence in Craftsmanship; Emerging Artisan of the Year; and Outstanding Collaborative Creation. The winners will be announced during the Superyacht Design Festival.

THE WORLD SUPERYACHT AWARDS

1 - 2 MAY VENICE, ITALY

The annual “Oscars” of the superyacht industry recognises the most remarkable luxury yachts from across the world. Returning to Venice for a final year, the ceremony will welcome 500 guests including owners, designers, top shipyard executives and ultra-high-net-worth individuals. The event recognises the remarkable ingenuity and innovation demanded by the design, engineering and construction of the world’s finest luxury yachts, with winners collecting the highly coveted Neptune trophy. It is a globally acclaimed event known for its credibility, prestige and glamour, distinguished from other yacht awards thanks to an independent panel of judges.

The World Superyacht Awards is the only peer-reviewed awards ceremony in the industry. All but two of our 24 judges are current or former superyacht owners, who collectively bring hundreds of years of experience to the judging process. They are a hugely knowledgeable and committed group who dedicate those most important of commodities – time and energy – to visit each of the nominated yachts.

Most importantly, the judges are completely independent: BOAT International has no vote or influence in the process, which is the only way to guarantee the credibility of the awards. This keeps the World Superyacht Awards distinct from all other awards ceremonies in the superyachting industry and makes winning one of the coveted Neptunes a truly special achievement.
